## Time Trial - Calga, Central Coast, February 6, 2005

Sunny skies and almost no wind greeted the 60+ competitors who were competing in either the Multisport Hed Disk 43km series or the Veloflex 25km event. The anticipation of a personal best was felt by many present, and the chance of a course record was on the cards.

The main event for the day was the Multisport Hed disk 43km series, which sports a first prize of a top-of-the-class Hed disk for the series winner. Held over an undulating out and back course, several riders averaged over the magical 40km/hr. But it was the classy Tom Brooks who set the roads on fire with an amazing time of 1 hour 17 seconds, smashing the previous record by almost 40 seconds. Not only does Tom take a commanding lead in the Multisports Hed Disk series but also scores \$100 for breaking a record. Additionally, Tom's Name will be added to the ATTA Calga Record holder's trophy.

In the Veloflex 25km event it was a familiar name on top of the list. Despite being 55 years old, Ross Hodgson continues to prove why he is considered one of the world's best Time Trial riders for his age, defeating a class field of riders half his age. ATTA Calga is run on the first Sunday of each month. The next event on the calendar is the ZeroRh 25km Championships on the 6th of March. Will Tom Brooks continue his winning ways and set yet another course record or will we see a new champion rise up to defeat the almost unstoppable Brooks?

Come along and take up the challenge. Entry fee is only \$5 with a yearly membership fee of \$20 (incl insurance) or a day license of \$7. The Time trials are well run with a friendly atmosphere. Hope to see ya there!

## **Ourimbah, NSW, November 20, 2005**

Another good field of riders took to the fast hotmix surface at Ourimbah under grey skies. Conditions were ideal with a light breeze blowing and a cooler than normal temperature. It didn't take long for things to heat up though!

A Grade started with Laurence Van Schie opening up a 22 second lead on the first lap! He stayed away for the first quarter of the race before being swallowed up by the pack. Phil Thaux put in a couple of testing digs up the rise and then proceeded to blow the field away with a destructive display of power. He virtually halved the field on one lap and then rode away, never to be seen again.

B Grade was far more sedate, with every move covered by the small field. In the end it came down to the sprint and it was Michael Curren who had far too much strength for his rivals in his second B Grade race. Paul Worby and Brett McGinty (Lidcombe) tried hard to ride over the top of him but just didn't have the legs or timing to get the job done.

Vic Mosaert has become a force to be reckoned with in C Grade. He has been quietly accumulating good place finishes, and today he powered to a well earned win to be within striking distance of the leaders in the pointscore championship.

And it was a piece of master craftsmanship in D Grade, with veteran Mike Axton showing how to win a race in style. Never mind that he's a Masters 8 rider because the youngsters just didn't stand a chance.
